INFORMATION DISCLOSURE SUBMISSION STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In accordance with the duty of disclosure requirements of 37 C.F.R. §§ 1.56, 1.97 and 1.98, Applicants submit herewith PTO Forms SB/08A and SB/08B identifying DE Patent No. 196 13 383 to Flohr Schmitt, EP Patent No. 0 896 259 to HSM GMBH, and the PCT International Search Report with a mailing date of 3/29/2000, all of which the Examiner may consider material to examination of this application, as well as, legible copies of, and English language abstracts for DE 196 13 383 and EP 0 896 259, and a legible copy of the PCT Search Report.

In accordance with 37 C.F.R. § 1.97 (c)(2), the \$180.00 fee set forth in 37 CFR § 1.17(p) accompanies this response as the present IDS is being filed before either a notice of allowance under § 1.311, or an action that otherwise closes prosecution in the application.

It is applicants understanding that although Examiners consider International Search Reports, they are not listed on the front of the issued patent, and are therefore normally crossed off of the form SB/08B.

Accordingly, unless indicated in the record otherwise, it will be assumed

that the Examiner has considered the International Search Report with a mailing date of 3/29/2000.

Applicants reserve the right to establish the patentability of the claimed invention over any of the information provided herewith, and/or to prove that this information may not be prior art, and/or to prove that this information may not be enabling for the teachings purportedly offered.

This statement should not be construed as a representation that an exhaustive search has been made, or that there does not exist information more material to the examination of the present patent application. The Examiner is specifically requested not to rely solely on the material submitted herewith. It is further understood that the Examiner will review art of record in all 35 U.S.C. § 120 priority documents.

It is respectfully requested that the Examiner initial and return a copy of the enclosed PTO-1449, and to indicate in the official file wrapper of this patent application that the documents have been considered.

In accordance with 37 C.F.R. § 1.97 (c)(2), Applicants authorize the \$180.00 fee to be charged to Deposit Account No. 04-1928 (E.I. du Pont de Nemours and Company). Applicants believe there are no other fees currently due, but if there are any other fees due that are not accounted for, please charge such fees to Deposit Account No. 04-1928 (E.I. du Pont de Nemours and Company).

Respectfully submitted,

By: 
Hilmar Fricke
